# LA EMPRESA | THE COMPANY

## TRAMONTINA

Para Tramontina, hacer bien las cosas es hacerlas con cariño, valorando el bienestar de las personas al utilizar productos de la marca. Hacer que la marca y sus consumidores se encuentren en momentos de placer. Esa filosofía ha sido honrada por Tramontina desde su fundación, hace más de cien años.

Hoy, la empresa cuenta con ocho mil empleados, responsables por un amplio mix de productos para diferentes ramos del mercado utilidades y equipos para cocina, electrodomésticos, muebles de madera y de plástico, herramientas para agricultura y jardinería, herramientas para la construcción, mantenimiento industrial y automotriz, materiales eléctricos.

La postura de actuar de forma sustentable - haciendo bien las cosas por el cuidado del medioambiente y colaborando con las comunidades donde está presente – acompaña a la marca en Brasil y en los diferentes continentes donde actúa, comercializando productos en más de 120 países.

La motivación y el placer de Tramontina está en la voluntad de crear y hacer bien las cosas para que su consumidor pueda lucirse en su día a día, en su vida.

## TRAMONTINA GARIBALDI

Tramontina Garibaldi, fundada en el año de 1963, está ubicada en la ciudad Garibaldi, RS, Brasil. Hoy con 80 mil m<sup>2</sup> de área construida, esta unidad fabril cuenta con 700 empleados y produce un mix de productos destinados al mercado de herramientas manuales, en el que actúa en tres distintos segmentos.

La Línea PRO atiende principalmente a los profesionales de los sectores industrial y automotriz. La Línea Master atiende el mercado de la construcción civil. Y la Línea Hágalo Usted Mismo atiende el mercado de uso doméstico.

Los productos siguen un riguroso control de calidad y fabricación, especialmente en lo que se refiere a la resistencia, seguridad y a la precisión del producto.

## TRAMONTINA

For Tramontina, to do things beautifully well is to do them with love, valuing the pleasure people feel when they use the brand's products. This pleasure of making things is where the company and its clients come together. This philosophy has been honored by Tramontina since its founding over one hundred years ago.

Today the company has eight thousand employees responsible for a wide range of products for different market segments such as kitchen utilities and appliances, wooden and plastic furniture, agriculture and garden tools, construction, industrial, and automotive maintenance tools, and electrical hardware.

The posture towards sustainability – doing beautifully well when caring for the environment and collaborating with the communities where the company is present – accompanies the brand in Brazil and in the various continents where it operates, selling products in over 120 countries.

Tramontina's motivation and pleasure lie in the desire to create and do things beautifully well so that its clients can also do beautifully well in their daily lives.

## TRAMONTINA GARIBALDI

Tramontina Garibaldi was founded in 1963 and is located in Garibaldi, RS, Brazil. It now has an industrial area of 80,000 m<sup>2</sup> and 700 employees manufacturing a wide mix of products for the hand tools market, being present in three different segments.

The PRO Line caters mainly to the industrial and automotive professionals. The Master Line serves the civil construction field. And the Do It Yourself Line serves the domestic use market.

All products comply with strict quality control and manufacturing standards, especially regarding resistance, safety, and accuracy. So the end user can do beautifully well when carrying out assembling, organizing, and repairing tasks.
